

LIVING IN GOSHEN

Coloring & Activity Pack #4

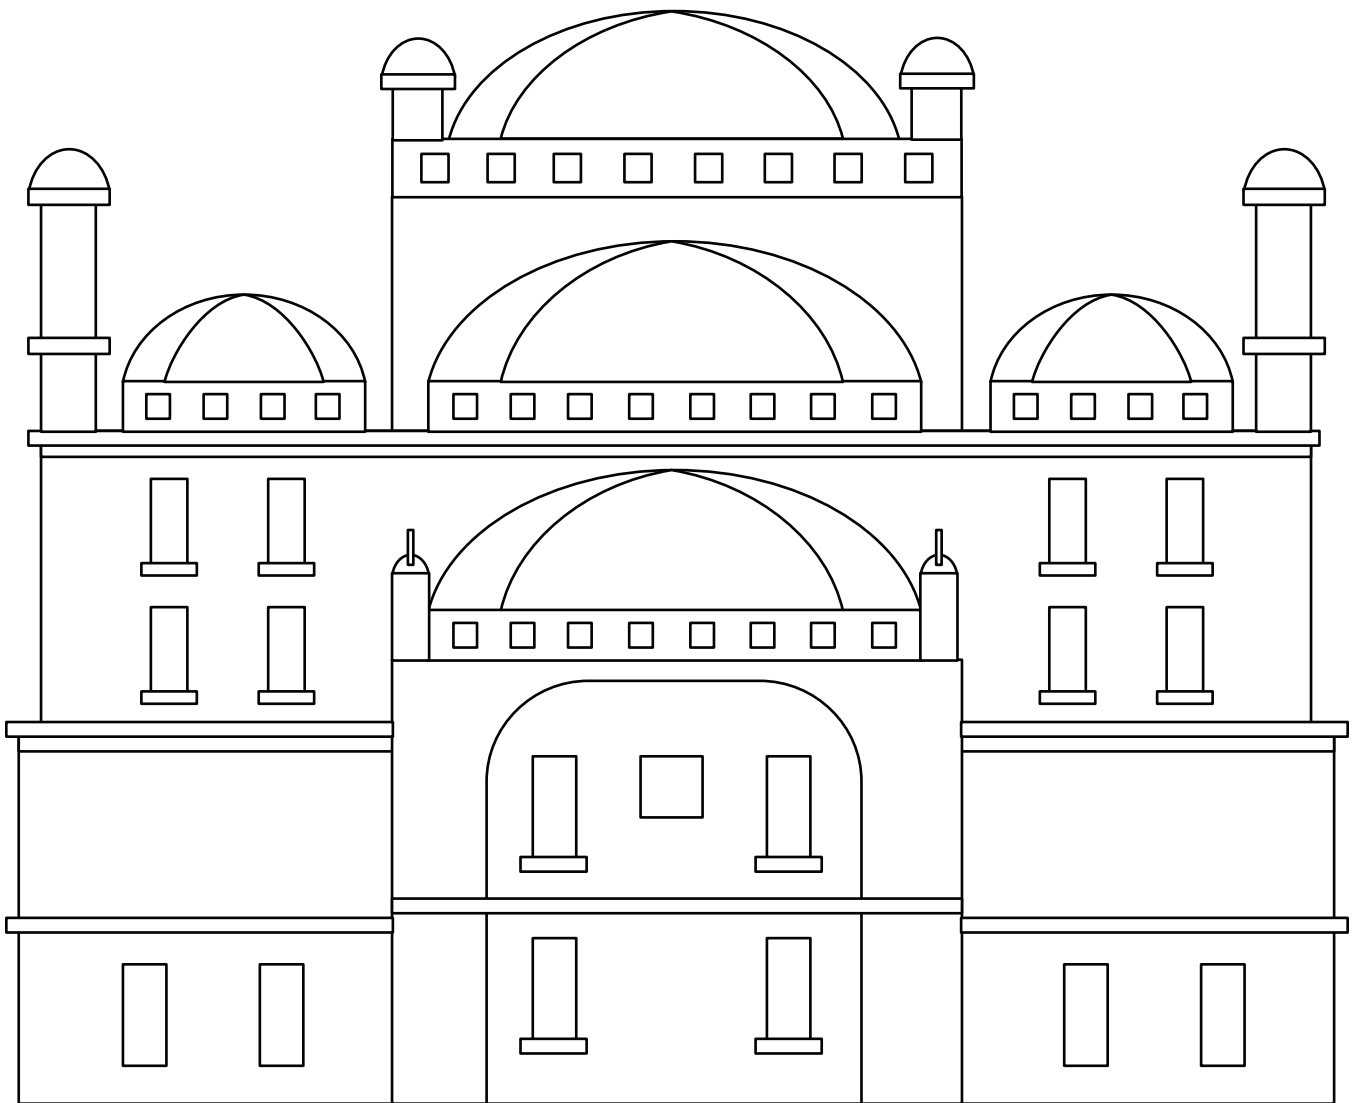

COLORING TIME

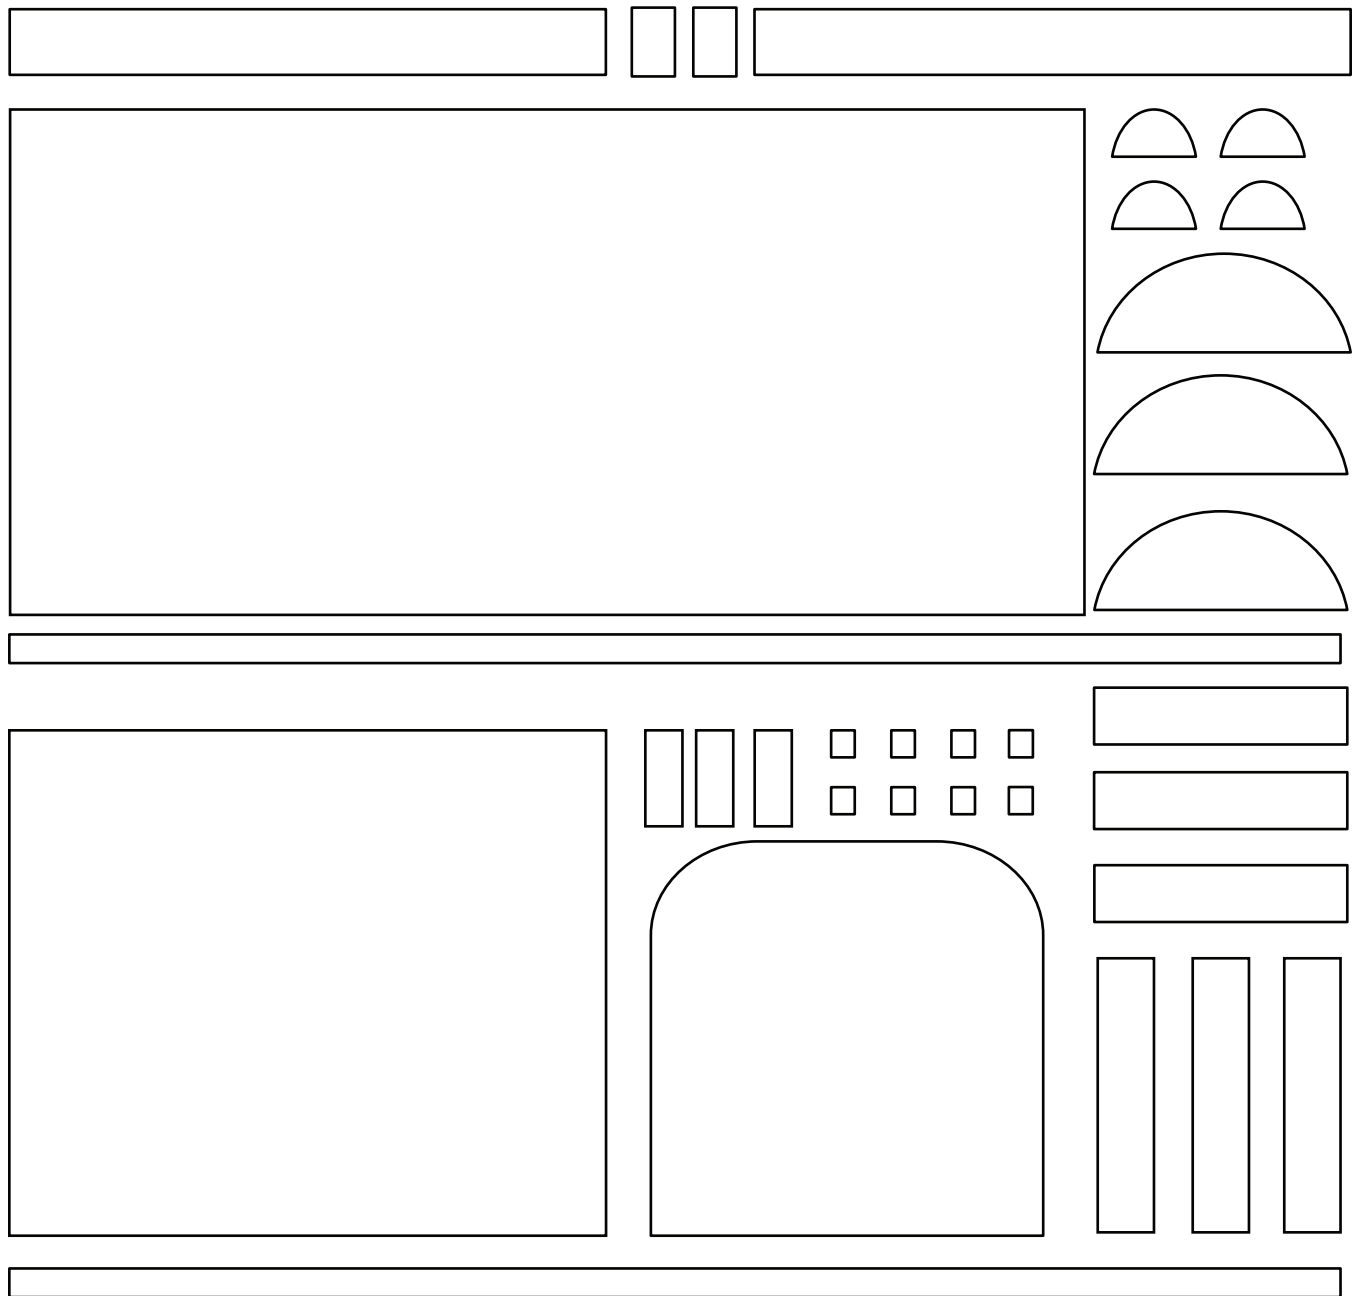

Pharaoh's Palace

Pharaoh lived in a large, luxurious palace. This was a symbol of power - but God showed the people in Egypt that Pharaoh's power was no match for the Lord's!

Color the picture of the palace below.

If you could design your own palace, what shapes and colors would you need? Draw your palace, or print, color and cut out the shapes below to use to make your design. If you have legos or wooden blocks, you can use those too!
